Apartment in La Linea De La Concepcion €139,000

3	1	95m²	N/A	N/A

This is a great opportunity to start on the property ladder, a nice property to flip. Fourth floor, no lift, but it is a top floor apartment, sea front in la linea. It is great to reform and to rent to people working in Gibraltar for example, it has currently three bedrooms and one bathroom, it has windows all around and seperate large kitchen with laundry area. The apartment is very bright and has great potential. It would need a full reform.
