This apartment in Villotel (Moraira) offers a functional layout across two levels, combining the comfort of the ground floor with the brightness of the main floor. On the lower level, the property includes a private garage and a large, separate storage room. Access to the apartment is available from both the ground floor (via external stairs) and street level, providing great versatility. On the first floor (the main floor), a terrace with views of the valley leads to the interior, and there is also a small external storage room. The apartment comprises a living-dining room with a semi-open-plan kitchen and a master bedroom suite with its own bathroom. Within the...(Ask for More Details!)
