Some homes possess a special quality from the very first moment. This beautifully renovated property in the heart of Benijófar blends rustic charm with modern comfort, creating a welcoming, light-filled space with a unique personality. It is a small Mediterranean retreat where you can enjoy tranquility, sunshine, and the privilege of having your own private swimming pool. ~~Spanning 66 m2 and south-facing, this cozy home perfectly marries the character of traditional architecture with the conveniences of modern living. Rustic touchesâ€”such as the lovely exposed wooden beams in the bedroomsâ€”add warmth, personality, and that distinct charm that makes a house feel like a true home. ~~The property features two spacious, inviting...(Ask for More Details!)
