PROJECT - Located in the La Fustera residential complex, surrounded by nature and strategically situated, very close to the Baladrar, Advocat and Fustera coves and just 10 minutes from Calpe and Moraira. A development in which each villa has been designed and adapted specifically to the plot. With an exclusive design and character of its own, it is integrated into its surroundings and designed to enjoy the mild Mediterranean climate. Distributed on a single floor, making it a practical and functional home. From the entrance hall, you enter the living area on the right, where you will find the kitchen, which is completely open to the dining...(Ask for More Details!)
