Villa in Guardamar del Segura €470,000

3	3	124m²	N/A	✔

A modern villa is offered for sale in Guardamar del Segura, on the Costa Blanca coast. The house features stylish architecture, a bright interior, a functional layout, and its own territory with a pool. The total built area of the villa is 124 m². The house includes three bedrooms and three bathrooms, ensuring comfortable living for the whole family. The interior space of the villa is designed in a modern style with a predominance of light shades and concise design solutions. The living room combines a cozy relaxation area with soft furniture and a dining space. Large glass doors fill the room with natural light and provide direct access to...(Ask for More Details!)
