Spectacular agricultural opportunity! Introducing 48.5 ha of ecological almond plantations in full production! The property features 10500 almond trees of the self-fertile varieties "antoñeta", "vairo", "constantÃ-" y "guara", 8-9 years old. The orchard has valid ecological certification. Part of the property is a solid warehouse of 350 m2. Don't hesitate to contact us to arrange a viewing! About the area: Murcia region in southeastern Spain is a major producer of fruits, vegetables, and nuts. Almond trees are particularly important, as Murcia's dry, warm, Mediterranean climate, and fertile soil are ideal for their cultivation. The region is one of Europe's leading producers of almonds, contributing significantly to both local and...(Ask for More Details!)
