Charming 2 bedroom townhouse in Doña Pepa, Ciudad Quesada. This charming townhouse is set on one level and comprises two double bedrooms and two bathrooms, including an en-suite bathroom connected to the master bedroom. The property also features a bright living room and a kitchen. From the kitchen, there is direct access to the rear garden, while the living room opens onto a glazed terrace currently used as a dining area. The house is equipped with fitted wardrobes in both bedrooms, hot and cold air conditioning, double-glazed windows with mosquito screens, an osmosis water filter, and a solar panel system for water heating. ...(Ask for More Details!)
