356m²

1,274m²

Price: ~2,350,000 (Construction Stage) Location: Moraira, Costa Blanca North Plot Size: 1,274 m² |
 Build Size: 356 m² Completion: February 2027 Discover a new standard of luxury Mediterranean
 living in this flagship residence, the crown jewel of the exclusive Alejandria Villas collection. This
 property is a masterpiece of contemporary architecture, balancing bold minimalist lines with the
 warmth of traditional local materials. Situated just 900m from the Mediterranean Sea, it offers a rare
 combination of privacy, scale, and avant-garde design. Architectural Innovation: The "Daytime-Top"
 Concept Designed to maximize the stunning coastal landscape, the villa utilizes a sophisticated
 layout that places the primary living spaces on the upper level to secure the best vistas. Panoramic
