Located on the road that connects Artá and Alcúdia, this impressive Mallorcan estate is located in a beautiful valley that offers incredible views of the bay of Alcúdia from different points of the estate. The property includes a mountain peak, a hunting area, flat land for dry farming and fruit trees, and a wide variety of typical Mediterranean trees and shrubs such as holm oaks, pines and centuries-old olive trees. . . The property has a large area of land that includes dryland crops, irrigated orchards, timber pine forest, fig and almond tree crops, and an extensive area of pastures for cattle, sheep and wild goats. There is also an...(Ask for More Details!)
