This is a great value plot which is within a stones throw of the main town of Pinoso with all your day to day facilities. the great advantage of this plot is that you can walk into town and have access to bars, restaurants, shops, et cetera as well as great for kids who could either walk or cycle into school. The plot is fully fenced and comes with a point of end, both of which need to be connected. Access is very good via a tarmac road and a short track. There are neighbours in the vicinity but with 10,000 square metres you will have your privacy. The plot...(Ask for More Details!)
