210m²

519m²

This luxurious villa is located in the prime area of Cabo Roig beach side, making it the perfect choice for those seeking a high-end lifestyle. With its 210 m² spacious built area on a plot of 519 m² this villa boasts a modern and classic design, using only the highest quality materials throughout the property. With 4 bedrooms and 3 bathrooms, plus a guest toilet, this house is perfect for families or anyone who loves to entertain guests. This villa was built in 2017 and has never been used, so it looks like that you are buying a brand new villa which has passed all the tests during the...(Ask for More Details!)
