This complex of three modern villas on independent plots offers a cutting-edge design with open spaces, bright interiors, and a perfect balance between elegance and functionality. Located in a privileged area of Calpe, these homes have been designed to maximize natural light and connection with the surroundings. Each villa is distributed over two floors, with a modern design that enhances spaciousness and comfort. The rooms stand out for their contemporary style and high-quality finishes, creating a sophisticated and welcoming home. The main floor offers a spacious living room and an integrated kitchen, while the bedrooms provide privacy and comfort. The villas feature three spacious bedrooms equipped...(Ask for More Details!)
