Traditional Mallorcan finca with great potential near Felanitx. This authentic Mallorcan finca is located in peaceful and scenic surroundings just a few minutes' drive from the town of Felanitx, enjoying beautiful views of the surrounding countryside and Sant Salvador. The property sits on a plot of approximately 16,000 m<sup>2</sup> and comprises several traditional stone buildings with a total built area of around 720 m<sup>2</sup>. The buildings are distributed across several structures, including a main house, additional residential or guest buildings, as well as former agricultural buildings and storage areas. The approximate distribution of the built area is as follows: Main house: approx. 200 m<sup>2</sup> Additional residential/guest building: approx. 120-150 m<sup>2</sup> Agricultural buildings, stables and...
