Chalet independent of Mediterranean style located in one of the most authentic zones and buildings in Ciudad Quesada, just 1. 2 km from the golf course and 9 km from the beaches of Guardamar. The living room is based on a parcel of 500 m² and offers an ample and multifunctional distribution, ideal for habitual residence with inversion. The house is constructed in two plants. The beautiful plant has access to the vehicle with a parking area, a barbecue area, a private swimming pool on the streets and a porch overlooking a modern living room with a reformed American kitchen. This plant has three double bedrooms and two complete bathrooms....(Ask for More Details!)
