Unique Oceanfront Country Estate - Biosphere Reserve
 Exclusive opportunity to acquire a 117,543 m² country estate in an extraordinary natural setting, located on the Tarifa coastline, with a 400-meter seafront, within the Estrecho Natural Park and less than 50 meters from the water at its closest point to the estate entrance. The property offers panoramic views of over 180° of the Strait of Gibraltar, Africa, the Tarifa Lighthouse, and the Torre del Fraile, in an environment recognized as a Biosphere Reserve, with the purity and marine richness of the open sea. Main Features
 Privileged beachfront location, with direct access to Los AlelÃ-es and GuadalmesÃ- beaches. No risk of flooding: elevated property from...(Ask for More Details!)
