If you've been longing for a peaceful escape where nature, charm, and convenience come together in perfect harmony – look no further. This unique semi-detached country home offers everything you could ever want: space, character, privacy, and those breathtaking views that stop you in your tracks – all just a 5-minute walk from the town centre. Set on a small, paved country lane and surrounded by greenery, this semi-detached property offers total peace and privacy – with no neighbours living next door – yet without the feeling of being isolated. Built in the timeless style of rural Spanish homes, with thick stone walls that naturally regulate temperature, this home is filled...(Ask for More Details!)
