This property on the emblematic Bazãjn Street is not just an apartment; it is the opportunity to experience the essence of the Mediterranean with all urban conveniences within your reach. The property is distributed into a spacious living-dining room flooded with natural light. Its undeniable jewel is the large east-facing terrace, the perfect corner to enjoy sunny breakfasts or a peaceful reading session with the morning breeze. It features two double bedrooms, spacious and versatile, and a full bathroom. The fully independent and equipped kitchen stands out for its brightness, allowing you to cook in an open and comfortable environment. Living here means having everything at hand. Just 800 metres...(Ask for More Details!)
