800m²

Magnificent property located in the quiet and established Panorama Urbanisation, in La NucÃ-a, just 5 km from the beach and with excellent access to all services. The property has an approximate built area of 487 m² on an 800 m² plot and stands out for its spaciousness, privacy and, especially, for having two completely independent homes, distributed over two floors. A feature that offers multiple possibilities, both for large families and for those looking for an excellent investment opportunity. On the ground floor, we find an independent apartment of approximately 156 m² of usable space, comprising two bedrooms, one full bathroom, a...(Ask for More Details!)
