Unique listing now available! This is one of those one-off opportunities. This property is a corner plot in buenas noches estepona, it is an elevated plot with Access to the land from both roads. It has a total of 600M2 and is super private. Gorgeous mature garden with shower and enough space to put a pool / jacuzzi etc. There is a lower storage room that could become bigger in a future project, think of another room? The main house at the moment has on the entrance a laundry Ārea, a full closed private garage and then you walk into the house through the side enjoying the beautiful sea views....(Ask for More Details!)
