167m²

189m²

N/A

Built in 2020, this townhouse spreads 167 m2 of living space across two floors on a 189 m2 plot in San Pedro del Pinatar. It offers three bedrooms and three bathrooms, with a bright open-plan living area that connects to the fully equipped kitchen and opens onto the private garden, where a large terrace and private pool wait outside. Each bedroom has its own private terrace, giving the home a generous sense of outdoor living on every level. Practical details round out the picture, including air conditioning, private parking, a storage room and part-furnished interiors ready to make your own. The setting places you close to the sea, shops, restaurants...(Ask for More Details!)
