We present this unique opportunity to purchase a townhouse in the Torretas area of Torrevieja. Priced at a very attractive €99,000, the property has a built area of 52 m². It is west-facing and includes an additional plot of land spanning a generous 75 m². The location is ideal for those seeking tranquility near the sea; beautiful local beaches are just 3 km away. The home features two well-laid-out double bedrooms and a full bathroom. Although it currently requires renovation, it offers great potential for customization to suit your personal style and family needs. Additionally, the property is entirely exterior-facing, ensuring plenty of natural light throughout the day. Extras include...(Ask for More Details!)
