We present this unique Mediterranean-style villa in Cabo Roig, one of the most sought-after areas of the southern Costa Blanca and Orihuela Costa. A peaceful area with luxurious villas and a quiet, family-friendly atmosphere, yet close to all amenities. With a plot of over 485 square meters, a private pool, 4 bedrooms, 2 bathrooms, and a corner location, this is one of the last opportunities to own a home in this prime location. It also includes a private, enclosed garage.
