40m²

6,000m²

N/A

Small country house of 40 m² for sale in a countryside area of Caudete. The property features a plot of 6000 m² (of which roughly 2000 m² are fenced), planted with 80 mature olive trees in production. The building is legal, officially registered as an agricultural warehouse/shed. It has a solid walls and roof, heated by a stove, there's room for 1 room and 1 bathroom. Water and electricity are not connected, but are available in the area. Inside the building, we'll find a living room with fireplace, water tap, kitchen counter with sink, and a toilet. Located in a tranquil, rural area, this property offers a calm retreat for...(Ask for More Details!)
