1,000m²

A Coastal Retreat of Tranquility: Discover Villa Loma, an impressive newly built villa perfectly situated with a desirable southeast orientation on the coveted coast of J  vea. This luxury property is available for   1,375,000 and sits on a generous 1,000 m   plot. The architecture is a masterful blend of elegant Mediterranean style and chic Ibiza style, defined by its distinctive rounded corners, decorative exposed wooden beams, and elegant vaulted ceilings. Key Design Features and Finishes: Authentic Finishes: Handcarved details in natural stone and exquisite wooden beams reflect the genuine elegance of the region. Optimal Light: A traditional clay tile roof and large windows equipped with shutters ensure abundant natural light throughout the...(Ask for More
