This is a fantastic opportunity to purchase a large, south-facing, urban plot of land in a sought-after area. The plot has permission to build one large 340m<sup>2</sup> villa or two smaller villas with pools. All utilities are easily accessible as the plot is in a well-established urbanisation. This south-facing plot offers open views down the valley and is within walking distance of Alcalali. If you are looking to build your own dream villa in the Jalon Valley, then this could be the plot for you.
