Completed in March 2025 and never lived in, this contemporary three-storey townhouse offers the rare combination of a brand-new, move-in-ready home in a quiet, green setting just minutes from the beaches of JÃvea and within easy reach of Moraira and D nia. Surrounded by countryside and built for comfortable family living, it's an ideal base for anyone who wants space, light and modern efficiency without giving up proximity to the coast. A Home Designed Around Daily Life Three floors are connected by both a staircase and a private lift, making the layout as practical as it is comfortable a real advantage for families, older buyers, or anyone who simply prefers not to...(Ask for More Details!)
