Costa Blanca Eiendom presents this spectacular villa set on a 4,000 m<sup>2</sup> plot, surrounded by nature and offering incredible mountain views. With 2,000 m<sup>2</sup> of buildable land, this property provides the perfect balance of space, comfort, and sustainability, just minutes from the sea and the center of Alicante. Upon entering the property, you will be impressed by its spacious outdoor areas. An elegant entrance leads to the main house, distributed across three floors that combine modern design and functionality. On the lower level, you will find an ideal space for gatherings and celebrations: a large living-dining room with direct access to the terrace and pool, along with a fully equipped...(Ask for More Details!)
