Villa Nara is a stunning modern property where indoor and outdoor spaces merge, creating an open, bright, and functional oasis. Designed in an elegant L-shape, the villa offers seamless access to the terrace and infinity pool, blending with the breathtaking Mediterranean landscape. The two-story layout includes a private master suite with sea and mountain views, while the ground floor features spacious living areas connected to the garden. The villa's contemporary style harmonizes with Mediterranean traditions, offering a luxurious, serene living environment. Located in Cumbre del Sol, it combines comfort, nature, and exclusive views, perfect for a refined lifestyle.
