Set among the gentle hills of La Romana, where the horizon melts into the Mediterranean sky, this Off-Plan villa redefines the art of living. More than a home, it's a statement of style, freedom, and connection with nature. On a rustic plot of approximately 20,000m², surrounded by peace, sunshine, and natural beauty, this licensed new-build project offers the perfect blend of contemporary architecture and authentic Mediterranean charm. The builder's aim is to design a stylish Mediterranean home, not a simple "esquare box." • Buyers can still choose tiles, kitchen, and bathroom finishes to make it truly their own. It is important that...(Ask for More Details!)
