314m²

1,006m²

Stunning is the word to describe this magnificent and exclusive detached villa that has just arisen for sale to the market. This is a house where every little detail has been taken into consideration, every room has been designed to offer a very comfortable atmosphere and every little corner offers an enjoyable space. This is top class villa which needs to be visited to appreciate the value and it is priced to be sold. The property has everything that is needed for living, heating, air conditioning, terraces, private garage, granny room, and separates the private zones for the family from the areas to enjoy with friends and visitors....(Ask for More Details!)
