The Larus Villas combine contemporary architectural design with the essence of Mediterranean style. Simple lines and open spaces that present a connection with the natural surroundings define these exclusive homes. Located in the exclusive Lima Community, the Larus Villas stand out for their elegance, privacy and quality. Their warm colours and noble materials accompany the landscape, while their nomadic and Mediterranean-inspired interiors invite a serene and sophisticated lifestyle. The landscaped terraces and large windows connect each space with the landscape, creating a natural transition between indoors and outdoors that enhances the feeling of well-being.
