225m²

415m²

We present a stunning modern-style villa in its final construction phase, located in one of the best areas of El Vergel – a unique opportunity to be the first to live in a new home in a privileged location, just a 2-minute walk from the Town Hall, Health Centre, Local Police and all amenities, and only 1.5 km from the beach. With 225 m² built over two floors and a 415 m² plot, this property combines contemporary design, premium quality and energy efficiency. The spacious living-dining room with security windows offers direct access to the garden, while the open-plan kitchen with central island and Bosch appliances brings functionality and...(Ask for More Details!)
