Plot for sale in Moraira 830m² with electricity and Water. This plot is a short drive to the beach and Moraira village, set in an urbanization. Benefitting from street lights, mains drains and utility connections. The plot is flat and easy to build on. This we believe is one of the lowest-priced plots in Moraira. It would be possible to build a 3/4 bedroomed villa with a private pool and Garden walls with in the region of €650,000 to €700,000 depending on your requirements. It's also possible to build a Modern villa or even a traditional Ibizan villa.
