In the picturesque old town, where the cobbled streets tell stories of past generations and the sea breeze scents the air, stands this majestic threestory house. With an unbeatable location, this property combines the character of traditional architecture with the functionality of a modern home, offering a unique opportunity for those seeking a spacious living space as well as for those wishing for a highpotential investment. Upon entering through its main door, the spaciousness and brightness of its spaces are immediately evident. Its intelligent layout is divided into three floors. The house features seven spacious bedrooms, each designed to provide privacy and comfort. Natural light filters through its large windows,...(Ask for More Details!)
