PROPERTY WITH MANY POSSIBILITIES AND LARGE ROOF TERRACE WITH BEAUTIFUL VIEWS. This house consists of two apartments. The entrance on the street gives access to a small garden where a separate staircase goes to the apartment on the first floor. The ground floor apartment has a garden, the first floor apartment a real roof terrace with a spectacular view. Both apartments have one bedroom, bathroom, salon and kitchen. The apartment on the first floor has the possibility for a second bedroom as this is now used to have a bigger living room, and the kitchen at first floor can also be changed to another bedroom then with at total of...(Ask for More Details!)
