N/A

Located only five minutes by car from the centre of Denia, this expansive rustic plot offers a rare opportunity for investors, developers, or anyone dreaming of building a home surrounded by nature. Denia, located on Spain's sought-after Costa Blanca, is famous for its award-winning beaches, Mediterranean lifestyle, and vibrant local culture. The town offers a full range of services, including supermarkets, restaurants, schools, medical centres, and a busy marina, all within easy reach. Alicante and Valencia airports are both approximately an hour's drive away. With a total area of 22,200 square metres, this mostly flat rustic plot comes with an existing single-storey dwelling of approximately 150m<sup>2</sup>, built around...(Ask for More Details!)
