Construction - Villa Karma is located in a privileged enclave of Cumbre del Sol, where the lights of Calpe and Moraira illuminate the nights and Montgó stands out on the horizon. A residence where every architectural line has been designed to inspire, and every room exudes calm and balance. Its sober, contemporary design, perfectly integrated into the landscape, enhances the infinite views that accompany everyday life. Spread over three floors, the house adapts to the natural contours of the plot, creating unique spaces on each level. The main floor houses the living area, where the lounge, dining room and kitchen are integrated into an open-plan space that connects to...(Ask for More Details!)
