Just a 4-minute walk from the beach and the center of Moraira, The White Collection presents an exclusive private development of only 4 villas. Each residence sits on a generous plot of over 1,000 m², with optimal south-facing orientation to enjoy maximum natural light and a design conceived to guarantee absolute privacy. These unique homes combine contemporary architecture with Mediterranean warmth: spacious terraces, private pools, natural stone details, wooden pergolas, arches in the nayas, and lush gardens create an atmosphere of refined serenity. Inside, bright open-plan spaces blend seamlessly with the outdoors, where the sea breeze and sunsets become part of everyday life. With only 4 homes available...(Ask for More Details!)
