This exceptional property is situated on the front line of the green zone, offering breathtaking views over Javea's coast. Located on a peaceful road with the perfect orientation for afternoon sun, it overlooks the rugged coastline of the Granadella National Park. Just a short drive from the beaches and a walk to local restaurants, the villa spans two floors. The upper floor features vaulted ceilings, tosca sandstone arches, and an open-plan kitchen that flows into a spacious living room, both with terraces offering stunning views. The lower floor includes bedrooms, bathrooms, and another living area with a kitchen, leading to an infinity pool, sun terraces, and a summer kitchen. Javea's...(Ask for More Details!)
