There are places you don't find on real estate websites. You dream of them. You feel them. You breathe them in before you ever arrive. This Passive-House in Finestrat is one of those places. It's not just modern architecture – it's a way of living: sustainable, forward-thinking, peaceful. 230 m² built under the highest biopassive and energy-efficient standards, capturing every ray of sunlight, every breeze, every drop of rain! Everything flows in harmony with 10,000 m² of nature, olive trees and fruit orchards around it. Here, the outdoors doesn't start at the front door – it starts long before. The main outdoor area features a large...(Ask for More Details!)
