Costa Blanca Eiendom presents this elegant, recently renovated apartment, designed to offer space, comfort, and functionality in every area. The property is located on the second floor and features a very well-distributed layout. It offers four bedrooms and two bathrooms, a spacious and bright living-dining area, and a modern, fully equipped kitchen with oven, refrigerator, microwave, and extractor hood. An internal staircase leads to the upper floor, where two additional bedrooms, a complete bathroom, and a generous private solarium are located—an ideal space to enjoy the Mediterranean climate all year round. Among its qualities, the property features underfloor heating in the living room, kitchen, and the bathroom on the lower...(Ask for More Details!)
