Elevate Your Coastal Story: Ultra-Modern Living on the Costa del Sol. Forget everything you know about standard coastal developments. Nestled in a privileged enclave of Manilva, Málaga, this exclusive residential masterpiece blends striking contemporary architecture with the effortless, sun-drenched lifestyle of Southern Spain. Composed of two striking, crescent-shaped buildings, the boutique development delivers sixty-four exceptional 2 and 3 bedroom residences engineered for year-round luxury. Inside, light-filled spaces transition seamlessly into expansive panoramic terraces showcasing sweeping mountain and sea views. The ground floor residences boast private gardens and their own plunge pools, while the crown jewel penthouses feature massive rooftop solariums.
