745m²

N/A

Located in the prestigious Cumbre del Sol urbanization, this 745 m² urban plot offers an unbeatable opportunity to build your dream home. Thanks to its Northwest orientation and a slight slope, the land takes advantage of natural light throughout the day, providing open views of the mountains and the sea that guarantee peace, privacy, and a unique connection with the environment. The great hidden value of this plot An exclusive aspect we will show you during the visit: Unlike the vast majority of areas in Cumbre del Sol "where a car is 100% essential for any daily activity" this location is an oasis of convenience. You can walk to...(Ask for More Details!)
