An exclusive aspect we will show you during the visit: Unlike the vast majority of areas in Cumbre del Sol –where a car is 100% essential for any daily activity– this location is an oasis of convenience. You can walk to the supermarket, pharmacy, restaurants, and the paddle and tennis courts. You will enjoy the freedom of leaving your car at home for your day-to-day activities. Moreover, being completely away from the main streets and traffic, the plot guarantees total disconnection. It is the perfect place for those looking to build a villa where privacy and silence are the true protagonists. Idyllic environment: Just a few minutes from the...(Ask for More Details!)
