House in the town of Benissa. Divided into three floors, at street level commercial premises of 80 mtrs, with toilet on the ground floor. We access the house through an independent door from the street, a totally private interior patio, which gives way to two independent homes, on the same floor, living room with fireplace and air conditioning, kitchen with plenty of storage space and with direct access to another patio of 80 mtrs with storage room, two bedrooms and a complete bathroom. Going up to the first floor, we access the second independent house, two double and spacious bedrooms, living room with fireplace, a bathroom and semicovered terrace of 30 mtrs....(Ask for More Details!)
