This is a unique opportunity to acquire an up and running well-known restaurant and a villa itself with a self contained apartment. The business is still in plave and generating a high income to the actual owners who live on site in a greatly accomodated private area. The location of this restaurant is ideal as it is located next to Las Colinas Golf resort and close to the town of San Miguel de Salinas. Villamartin area is just a short distance too. The potential of the business can be already proved by the owners providing figures of the revenue. As such, the restaurant is top quality, finsihed...(Ask for More Details!)
