Renovation Opportunity Bungalow in Dolores – Traditional Spanish Village Living ???  
 Discover this interesting renovation opportunity located in the traditional Spanish town of Dolores, a place known for its authentic lifestyle, local atmosphere and year-round community. The property is already in the process of renovation, with the project designed to create a 3-bedroom, 2-bathroom home, centred around a bright and spacious interior patio that will bring natural light into the living space. While the property still requires completion, it already benefits from key elements such as water and electricity connections, as well as pre-installation for...(Ask for More Details!)
