We offer a cozy apartment after modern renovation, fully prepared for comfortable living and relaxation. The bright interior, functional layout, and spacious open terrace with panoramic views make this property especially attractive for those who appreciate the Mediterranean lifestyle. The apartment features two bedrooms decorated in calm modern tones, a spacious living room, and a fully equipped kitchen. Owners have all the necessary household appliances and air conditioning at their disposal, so the apartment does not require additional investments to start living. The main advantage of the property is the large private terrace with an open panoramic view of the city, surroundings, and the sea. It is equipped with a...(Ask for More Details!)
