The property itself is situated on a very quiet road, each property having adequate privacy. On approaching the property you notice it has both a pedestrian gate and double gates for vehicles. Once inside the grounds the first thing that stands out is the generously sized swimming pool. Further up the path you will reach the steps up to the porch and reinforced entrance door. You can access the back of the property from the outside as the pathway leads all around. There is a driveway where up to 5 cars can park and leads to the garage with electric door. Stepping inside the property you will be taken aback...(Ask for More Details!)
