N/A

Recently renovated detached house, for which quality materials have been used, this is located in a very quiet area of La Nucia, near the British school "Ellians". The house is distributed over three floors. The ground floor has a spacious living-dining room, which is equipped with pellet stove, a fully equipped modern kitchen with laundry room, guest toilet and a bedroom. The first floor consists of 3 bedrooms and 2 bathrooms (one of them en suite). On the top floor is the solarium, from which we can enjoy magnificent panoramic views of both the sea and the surroundings. The house is equipped with air conditioning (hot cold), electric radiators, fitted... (Ask for More Details!)
